Re: *Andrew Schwartzberg v. Chet Mining Co., LLC and Chet Stojanovich*  
Civ. Action No. 1:20-CV-01880

Dear Judge Liman:

This firm represents the plaintiff in the above-referenced matter. On May 27, 2020 we filed a motion for default judgment (ECF Doc. #15). In accordance with ¶4 of the Default Judgment Procedure in your Individual Practices, the motion does not specify a return date, and we would serve the motion after you complete your review of it and direct whether or not a hearing is necessary.

I am writing to inform you that I plan to file a supplemental Declaration from the plaintiff which sets forth some additional information for the Court's consideration. My client is in the process of gathering the additional details for me and I hope to file the supplemental Declaration early next week. I am writing now so that the Court does not devote too much of its time reviewing the existing papers when I think that the forthcoming supplemental filing will provide a more complete submission for the Court. I apologize for any inconvenience.

Sincerely,

E. STEWART JONES HACKER MURPHY, LLP
